

Siblings Group

Celebrating, Supporting & Guiding the brothers & sisters of kids with special needs!

The St Croix Therapy Siblings Group invites siblings ages 8-13 for 4 weeks of fun activity and engagement that offers support and guidance to siblings of children with medical or developmental needs. The group will connect siblings to an opportunity to share the challenges and celebrate the joys with brothers and sisters alike.

Through a mixture of information & discussion, as well as activities with games that are designed to be unique, off-beat, and appealing to a wide ability range, the Siblings Group will be sure to provide a variety of fun engagement.
