

Cooking Workshop

*Building Teamwork in a Festive, Engaging,
"Turkey-licious" Atmosphere*

Come join St Croix Therapy Graduate and "Chef," Lindsey, to learn how to make a turkey themed pizza and cupcakes, using gluten and dairy-free ingredients!

In a group of 4, you will get to participate in the entire process to learn teamwork and a variety of occupational skills: from making a grocery list, going to a mock grocery store, managing money for groceries, as well as, parts of the cooking and baking process. At the end, we will all sit down together and "gobble up" our pizza and cupcakes! We hope to see you there!

Register Now! Limited Space Available.
